

Stories of the Tweed Valley

The Dairy Industry

Getting Established

Hoop Pine butter boxes were not only used to pack butter for export, they were also very popular with local farming families who turned them into domestic furniture for storing clothes.

What is this an example of? Re-using and recycling!

Can you think of an example of re-use or recycling of objects at home, school or in your community?

Tweed River Regional Museum

Established in 2004, with the uniting of the three local Historical Societies, Tweed River Regional Museum is one museum in three special locations, Tweed Heads, Murwillumbah and Uki. Spanning the Shire from the coast to the mountains, the branches of Tweed River Regional Museum are a unique journey into the history, people and places of majestic Tweed Valley.
