

Draft Tweed Local Environmental Plan 2010

Fact Sheet 1 - Consultation and local workshops

How will Council assist the community to view and understand the Draft Tweed LEP 2010?

The Draft Tweed Local Environmental Plan (LEP) 2010 will be publicly exhibited for an extended period from 27 January 2010 until 31 March 2010 enabling greater access and opportunity for community input.

Website information

Council's website provides the opportunity to view all the Draft LEP 2010 information and search out details relevant to your particular interest. Council's web address is www.tweed.nsw.gov.au
