

Tweed Shire City of the Arts 2003 – 2005

DisAbility Arts Project

Disability Awareness Workshop

Saturday 21 August 2004 * 9am – 1pm

City of the Arts Space, Tumbulgum Road, Murwillumbah

Tutor: Barbara Suttie

This workshop offers training in Disability Awareness to local artworkers and tutors, as part of the Tweed Shire City of the Arts 2003-2005 DisAbility Arts Project.

The Tweed Shire has many talented and inspiring individuals within its disability community who participate in the arts in many different ways – including visual arts, dance, theatre, music and writing.

The DisAbility Arts Project aims to broaden the experience and professionalism of our all artists by promoting access and interaction between the disability arts community and mainstream arts facilities, networks and activities.

If you work in the arts with people in the community, consider increasing your range of expertise by gaining further knowledge and skills in working with people with disabilities, through attending this workshop. Topics covered include:

- Disabling myths
- Positive perceptions/attitudes
- Defining disability – overview of disability types
- Strategies to assist learner participation
- The physical environment - considerations
