

Application for Small to Medium Community Events Recreation Services Unit

This application is for small to medium size community events held on land owned or administered by Council.

For the purposes of this application, a community event is defined as:

- being accessible to the general public
- provides for the physical, cultural or intellectual wellbeing of the community
- has a community benefit as the primary reason for the event
- is consistent with the accepted use of the reserve or facility
- there may be commercial elements to the activity but this must be incidental to the event.

An activity designed primarily for commercial purposes is not considered a community event.

Applications must be submitted a minimum of 30 days prior to the event.

NOTE: Incomplete applications cannot be considered. If a section does not apply to your event please put 'Not Applicable'.
