"that Council:

1. Confirm its opposition to the site selected for the relocation of the Tweed Heads Hospital;

2. Brings forward urgent legal advice on whether the Preliminary works proposed for the hospital relocation constitute exempt and complying development, and options for urgent compliance action if appropriate;

3. Requests the State Government re-exhibit the stage 1 application due to the inability to access relevant documents through the pathways provided in the public exhibition notices and the incorrect submission address originally listed, and extend the period for community consultation of the stage 1 application due to the inadequate time to assess the implications of significant impacts on our residents, business and farming communities from so many changes to the Shires’ fundamental planning strategies;

4. Calls on the State Government to release as a matter of urgency and good faith all documents on the shortlisted hospital sites, and the option of redeveloping on the existing site or into the civic precinct adjacent, including but not limited, to diagrams of the potential footprints and estimated costs;

5. Undertake desktop research sufficient to identify federally scheduled species utilising the proposed hospital site or its immediate environs and to submit a formal referral of the Tweed Valley Hospital DA to the Commonwealth for assessment under the Environment Biodiversity Conservation Act;

6. Calls on all NSW Parliamentarians for an urgent Parliamentary Inquiry into the proposed Tweed Valley Hospital, or for this matter to be considered by the Parliamentary Public Works Committee. This Inquiry should investigate the governance and planning processes, including but not limited to:
a) The process and timeframes of the 2016 Northern NSW Local Health District board dismissals and appointments;

b) The process of deciding on the site selection criteria;
