

Stotts Creek Resource Recovery Centre

Map and directions

From North: take the Tweed Valley Way exit at Chinderah (located just south of the RTA weigh bridge). Hit your speedometer as soon as you veer to take this exit. Leddays Creek Road is exactly 5kms on your left. Follow the bitumen road until you come to the weighbridge.

From West: from Cabarita travel along Clothiers Creek Road until you arrive at Tweed Valley Way. Almost directly opposite are the Condong Sugar Mill and the Condong Bowling Club. Turn right here and after approx. 9kms turn right into Leddays Creek Road. A large blue/green sign is on the corner which says 'Stotts Creek Resource Recovery Centre, Dog and Cat Pound, Tip Shop'. Follow Leddays Creek Road (remaining on the bitumen road) until you come to the weighbridge. If coming from Murwillumbah, also travel along Tweed Valley Way and turn right at Leddays Creek Road.

For more information visit www.tweed.nsw.gov.au or contact Tweed Shire Council's Waste Unit on (02) 6670 2694.
