

Save water now

Here's 5 ways how

Water restrictions are in place across the Tweed. The Tweed is currently on Level 2 water restrictions, with Tyalgum residents on Level 4.

We need your help to reduce household water consumption by 50 litres per person per day and make our limited water supply last longer. The first thing you should do is reduce your outdoor water use by fixing leaks and watering less.

Here are 5 things you can do in your yard and home to save water.

In the yard

1 
Put away the hose. **Save 20L/min**

2 
Clean with rake and broom. **Save 100L/5min**

3 
Fix it. **Save 1.3L/hour**

4 
Mulch to stop water loss.

5 
Cover pool to stop water loss.

In the home

1 Laundry

 Load it up. **Save 80L**

2 Kitchen

 Don't pre-rinse dishes. **Save 45L/5min**

3 Toilet

 Don't flush pee
Try 1/2 flush poo. **Save 10L/day**

4 Shower

 Cut 2 minutes off. **Save 18L**

5 Basin

 Face, hands, teeth on/off/on. **Save 2L**
