**We're in this
together**

Helping you to get the most out of your NDIS plan

Tweed Shire Council has been helping local people meet their specific needs and access disability support services for over 25 years.

We are a registered support coordination provider for the NDIS.

What does a Support Coordinator do?

We help you set up your NDIS plan, connecting you with the service providers of your choice who are best able to meet your own specific needs and goals.

We provide our service in line with our organisational values:

- Living and loving the Tweed
- We look after people and places, explore all opportunities and are proud of our passionate approach
- We care about each other, choose to be here, and are in this together
- We have conversations where everyone can contribute and we are willing to have a go
- We put back in to make a difference, so that our Tweed community is even better tomorrow than it is today

Contact our friendly team today, to see how we can support you.
