Sort and save

Landfill waste, green waste and free recycling and problem waste disposal.

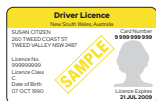

This project was supported by the Environmental Trust as part of the NSW EPA's Waste Less, Recycle More initiative, funded from the waste levy.

Taking a trip to the tip?

Save time and money. Prepare before you're there.

Proof of Tweed Shire residency

Have ID with your name and Tweed Shire address on it.

Avoid, Reduce, Reuse, Recycle

Before you throw your items away think about: Can it be repurposed? Would someone else be able to use it? Donate it, sell it or modify and use it.

Remove and dispose of asbestos safely

- Have it wrapped and transported according to legislation safework.nsw.gov.au
- Let staff know that you have it on board.
- Asbestos is only accepted from Monday to Friday 7 am to 2:30 pm at Stotts Creek Resource Recovery Centre.

Sort your load and save

Have your **free** recycleables and problem waste separate from your landfill waste. Disposing of your landfill waste first will save you money. See over page for the list of free items.

Use your free On-call kerbside collection

You can book 2 free kerbside collections of 2 cubic metres each financial year, or make arrangements to use both at once if eligible and notified prior to booking. For further information and eligibility to book please go to tweed.nsw.gov.au/on-call-kerbside-collection or call 02 6670 2400.
