Re: Naming of Bridges

Dear Ms Turnbull,

Thank you for your advice re: the names of the bridges near Kingscliff last month.

We have further discussed this topic and now forward our requests.

Our Association requests that the bridge over Cudgen Creek between the village of Kingscliff and the SALT development be called the "Cudgen Creek Bridge" and this name be placed on both approaches to the bridge.

We also request that the bridge on the Tweed Coast Road that is near Old Bogangar village be called "Old Bogangar Bridge" and this name be placed on both approaches to the bridge.

We believe that the naming of these two bridges will reinforce the local names for the bridges and will also place them in their historical context.

Yours sincerely,

Julie Murray
