

Emergency Kit

Effective preparation for an emergency event

A well-stocked emergency kit can provide peace of mind and help to ensure the safety of you and your loved ones in an emergency.

Your emergency kit should contain all the necessary items you will need in case of an emergency event, power outage or if you need to evacuate your home.

What to keep in your emergency kit all the time:

	Date last replaced
A copy of your home emergency plan	_____
Copies of all important documents in sealed plastic bags	_____
Portable radio with spare batteries (or wind up radio)	_____
Torch with spare batteries	_____
Candles, waterproof matches and/or lighter	_____
First aid kit and manual	_____
Strong plastic garbage bags	_____
Tarp and tape for emergency repairs	_____
Any tools needed to turn off utilities	_____
Water purification tablets	_____

What to add when a warning is issued:

	Date last replaced
Originals of important documents in watertight bag	_____
Three days' supply of bottled water, non-perishable food, a can opener and pet food	_____
Toiletries and medications (including prescriptions, special requirements for babies, disabled and elderly family members)	_____
Mobile phone and charger	_____
Money and spare house and car keys	_____
Blankets and spare clothes	_____
