

# StormSafe Fact Sheet

## Prepare your home

Trim trees and overhanging branches

Clean your gutters and downpipes

Make sure your roof is in good repair

### When should I prepare for storms?

Storms can happen anywhere, at anytime of the year and it is important to prepare your family and property now and stay prepared all year round.

### Things you can do now and always to prepare for storms

- ✓ Secure outdoor items that can blow around in strong wind
- ✓ Clean your gutters, downpipes and drains regularly to prevent blockages
- ✓ Trim trees and branches that could potentially fall on your home or property
- ✓ Fix any damage to your roof including broken or missing tiles

- 👁️ Make a plan for your family that outlines what you would do in an emergency
- 👁️ Prepare an emergency kit with essential items in case you lose power or need to leave home in an emergency
- 👁️ Listen to the local radio and other media for information, updates and advice
- 👁️ Check your insurance policy is current and adequate
