

Application for Approval of Stormwater Drainage Works -  
Subdivision / Multi-Dwelling / Commercial / Industrial Premises  
Application for approval of erosion control, stormwater drainage works and quality control devices under  
Section 68 of the Local Government Act 1993

### A1. Approval Type

Application is hereby made for one or more of the following (as applicable):

- s68h1: Connect a private stormwater drain to a public drain** (ie a Council kerb or stormwater drainage system) by installation of a pipe to carry roofwater or hardstand drainage from private property across a public road, road reserve, footpath or nature strip.
- s68h2: Install a permanent stormwater quality control device in a private drainage system,** that will ultimately discharge to a public stormwater drainage system.  
This includes installation of:
- Gross pollutant traps (GPT) Sediment trapping devices
  - Litter and trash racks, baskets or screens
  - Oil and grease trapping devices

**NOTE!** *Approved stormwater quality control devices will require annual servicing and certification by an authorised agent. Written certification from the agent must be submitted to Council each year prior to the specified renewal date.*

- s68h3: Carry out mandatory erosion and sediment control works on development that involves disturbance of the ground surface.**

| Email                    | <input type="text"/> |              |                      |

### A3. Owner's Consent

- Individual Ownership and Joint Ownership       Not Applicable
- Organisation/Company Ownership       This application is being submitted with an accompanying Development Application
- Strata Property

**NOTE!** *Please click on the link below to choose the relevant Owner's Consent form:  
<https://www.tweed.nsw.gov.au/council/customer-service/forms-applications#development>  
This signed form will need to be scanned for inclusion with your submission to Council.*

Application for Approval of Stormwater Drainage Works -  
 Subdivision / Multi-Dwelling / Commercial / Industrial Premises  
 Application for approval of erosion control, stormwater drainage works and quality control devices under  
 Section 68 of the Local Government Act 1993

**A4. Land Description**

|                |                      |         |                      |           |                      |
|----------------|----------------------|---------|----------------------|-----------|----------------------|
| Lot Number     | <input type="text"/> | Section | <input type="text"/> | DP/NPP/SP | <input type="text"/> |
|                | <input type="text"/> |         | <input type="text"/> |           | <input type="text"/> |
|                | <input type="text"/> |         | <input type="text"/> |           | <input type="text"/> |
|                | <input type="text"/> |         | <input type="text"/> |           | <input type="text"/> |
|                | <input type="text"/> |         | <input type="text"/> |           | <input type="text"/> |
| Unit/Street No | <input type="text"/> | Street  | <input type="text"/> |           |                      |
| Suburb/Town    | <input type="text"/> |         |                      |           |                      |

**A5. Current Development Application**

If you have previously lodged a development application for works on this land please indicate the Development Consent Number.

DA No.

**A6. Payment of Application**

Once your application(s) has been lodged, you will receive a Tax Invoice(s) via email. Please indicate how you wish to pay.

- By Post      Please post your cheque, made payable to Tweed Shire Council.
- ePayment      Use Council's online portal to pay your rates, water and sundry debtor notices and application invoices.  
<https://eproperty.tweed.nsw.gov.au>
- In Person      Cash, cheque, EFTPOS and credit cards (Visa and MasterCard) are accepted at either of the Customer Service offices between 8.30am and 4.00pm (AEST) Monday to Friday.

**NOTE!**      A surcharge applies to payment via credit card.

**A7. Applicants Declaration**

I declare that all the information in this application is true and correct.

I understand that if the information is incomplete the application may be delayed or rejected.

Applicants Name

Date

Application for Approval of Stormwater Drainage Works -  
Subdivision / Multi-Dwelling / Commercial / Industrial Premises  
Application for approval of erosion control, stormwater drainage works and quality control devices under  
Section 68 of the Local Government Act 1993

### Required Attachments

An electronic copy in PDF of:

- site plan of property and adjacent footpath/road drawn at a scale of 1:200, showing proposed buildings, hardstand areas, landscaped areas, internal stormwater drainage system.
  
- detailed engineering plan of the connection of the private drain to the public drainage system including longitudinal section, pipe diameter, type and class, depth, cover, backfill, and details of surface levels and restoration requirements.

**NOTE!** *Drawing S.D.058(D0081a) shall be used as the standard specification for kerb and channel drainage connections which is available separately on Council's website on the Forms page in a document entitled "Attachments to Application for Approval of Stormwater Drainage Works".*

- detailed engineering plans of the proposed permanent stormwater quality control devices, including make / model / operating / cleaning / maintenance manuals / schedules.
  
- the site erosion and sediment control plan, prepared in accordance with Development Design Specification D7 - Stormwater Quality, and its Annexures A and B.

### NOTES:

1. For a full list of fees applicable see Council's Fees and Charges at:  
<http://www.tweed.nsw.gov.au/FeesAndCharges>
  
2. If this ancillary application is part of your Development Application submission, you must provide this form with all supporting documentation with your Development Application when you upload your application to the NSW Planning Portal.
  
3. If this ancillary application is a stand-alone application (not related to a Development Application), this form with all supporting documentation must be completed and lodged via Council's online application page.
